

Curriculum Vitae

Alberto Gobbi M.D.

A specialist in

- Orthopaedics and Traumatology
- Sports Medicine

Alberto Gobbi, M.D.

Board certified surgeon and specialist in:

- **Orthopaedics and Traumatology**
- **Sports Medicine**

Date of birth: 14 October 1956
Place of birth: Milan
Nationality: Italian
Office: Via G.A. Amadeo 24
20133 Milan, Italy
Tel. +39 02 7610310
Fax. +39 02 70124931

gobbi@cartilagedoctor.it; info@oasiortopedia.it

Dr. Alberto Gobbi performs scientific, surgical and educational activities at a national and international level. He currently serves as President of the ICRS (International Cartilage Regeneration & Preservation Society) and holds various other positions within some of the most prestigious medical societies in the field of orthopaedics, arthroscopy, sports medicine and scientific research.
Dr. Gobbi's office is located in Milan where he also chairs OASI Bioresearch Foundation Gobbi Onlus, a No-Profit Organisation, accredited by the Italian Ministry of Health and recognized as an International Teaching Center by ISAKOS (International Society of Arthroscopy, Knee Surgery & Orthopaedic Sports Medicine) and ICRS (International Cartilage Repair Society).
The OASI Foundation promotes research into cartilage, joint aging and sports lesions through a network of collaborators from all over the world.

EDUCATION

1991: Specialization in Sports Medicine, University of Genoa, Director Professor Giorgio Odaglia. Final mark: 50/50. Graduation thesis: "Functional Evaluations in a Group of Athletes Involved in Motocross, Enduro, and Rallies".

1988: Specialization in Orthopaedics and Traumatology, University of Milan, Director Prof. Vincenzo Pietrogrande. Final mark: 70/70 with honours. Graduation thesis: "Functional Cast Treatment of Leg Fractures in Athletes".

1983-1987: Orthopaedic Surgery Residency, "Ist. Clinica Ortopedica", University of Milan, Italy

1983: Medical Degree, Faculty of Medicine, University of Milan. Graduation thesis: "Traumatology of Motor Sports". Final mark: 110/110 with honours

1975: High School Diploma, Liceo Classico Dante Alighieri, Milan

PROFESSIONAL CERTIFICATION

April 1983: Milan Medical Register, registration no. 23447
National Sports Medicine Register, registration no. 11087
Swiss Confederation Arzt, N. 32017
Spain Recognition: 2015

MILITARY SERVICE
2 Feb 1984 – 1 Feb 1985: Medical Assistant, Italian Carabinieri Corps

PROFESSIONAL POSITIONS
2018: President Orthopaedic Arthroscopic Surgery International Bioresearch Foundation Gobbi Onlus, Milan
2018: Surgeon at Casa di Cura La Madonnina, Milan
1995 - : Consultant in Orthopaedics, US Consulate, Milan
1998 - : Director of Orthopaedic Arthroscopic Surgery International (OASI), Milan
2007 - 2012: Orthopaedic Surgeon at Orthopaedic Department, Capitanio Clinic, Milan
1997 - 2011: Orthopaedic Surgeon at Orthopaedic Department for social medicine, Zucchi Clinic, Monza
1999 - 2008: Chair of Arthroscopic Surgery at San Camillo -
1997 - 1998: Chair of Arthroscopic Surgery: Città di Milano Hospital, Milan
1988 - 1999: Head of Arthroscopic Surgery Department, Clinic S. Rita, Milan
1996 - 1997: Head of Arthroscopic Surgery Department, Clinic Villa Igea, Acquiterme, Alessandria
1996 - 1997: Arthroscopic Surgery Consultant, Hospital of Viareggio, Pisa
1994 - 1997: Director of Sport and Medicine Medical Centre, Milan, Ovada, Acqui Terme
1988 - 1997: Consultant in Sports Traumatology, Div. Prof. L. Tessari, San Raffaele Hospital, Milan
1988: Associate surgeon at Orthopaedic Institute Galeazzi, Milan
1987: Grantee of SIOT (Italian Society of Orthopaedics and Traumatology), Div. Orthopaedics and Traumatology, Hospital of Pescia, Director Prof. A. Diara
1983 - 1986: School of specialization, 1st Orthopaedic Clinic, Milan, Director Prof. V. Pietrogrande
1982: Resident at Orthopaedic Institute G. Pini, Milan

SCHOLARSHIPS-FELLOWSHIPS
1991 - 1997: Fellow, Kerlan-Jobe Orthopedic Medical Clinic, Inglewood (CA), USA
1993 - 1994: Fellow, Southern Orthopaedic Institute, Van Nuys (CA), USA
1990: Southern California Orthopaedic Institute, Van Nuys (CA), USA: Fellowship in Arthroscopic Knee Surgery, with Prof. James Fox
1989: Kerlan-Jobe Clinic-Centinela Hospital, Inglewood, Los Angeles: Fellowship in Sports Medicine, Shoulder, Knee and Elbow Surgery, with Prof. Frank Jobe
1988: Los Angeles State University: Fracture Functional Treatment, with Prof. Augusto Sarmiento
1987: Six-month grant, Department of Arthroscopic Surgery, Istituto Ortopedico Galeazzi, Milan
1986: Grant from SIOT, the Italian Society of Orthopaedics and Traumatology, for the publication "Functional treatment of leg fractures in athletes"

HONORS AND AWARDS
2018: Visiting Professor National University of Singapore
2018: Honorary Professor at University of Peking
2018: President ICRS
2016: Vice President of ICRS
2014: Visiting Professor, University of California at San Diego
2013: Nominated ICRS General Secretary
2012: Best International Publication in an American Journal, Baltimore, AOSSM
2009: Program Chair, ICRS World Congress
2007: American Biographical Institute, Honorary Appointment
2004: Honorary Member, Arthroscopy Association of North America (AANA)
1995: Nominated consultant orthopaedic surgeon for the American Consulate in Milan
1991: Honorary member of the Paraguayan Orthopaedic Society
1988: Certificate of merit as physician of "Atleti Azzurri d' Italia"
1984: Grant from the Italian Society of Orthopaedics and Traumatology (SIOT)

MEMBERSHIPS

2013: Member of the ACL Study Group
2012: Education Committee Deputy Chair International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (ISAKOS)
2012: Education Committee Chair, International Cartilage Repair Society (ICRS)
2012: Member of the Italian Society for knee surgery, arthroscopy, sport and cartilage (SIGASCOT)
2011: Program Chair ICRS International Meeting, Beijing, China
2011: Deputy Chair Education Committee ISAKOS
2010: Board of Directors ISAKOS
2010: Member Task Force for Web Project ISAKOS
2009: Program Chair, World Meeting ICRS Miami, USA
2008: Member Strategic Planning Committee ISAKOS
2008: Member Cartilage Committee European Society of Sports Traumatology, Knee Surgery and Arthroscopy (ESSKA)
2007: Member Education Committee ISAKOS
2007: Nomination as Fellow of ICRS
2006: Member Editorial Board Arthroscopy Association of North America (AANA)
2005: Member Newsletter and Communication Committee ISAKOS
2005: Member Communication Committee AANA
2004: Vice president Cartilage Committee SIGASCOT
2004: Nominated member of ICRS General Board
2004: Honorary Member AANA
2003: Member Arthroscopy Committee ISAKOS
2001: Participant in a study group on "reparative process of osseous-cartilaginous tissue"
2000: Ordinary member ISAKOS
1999: Ordinary member ICRS
1998: Ordinary member AANA
1998: Member ESSKA
1997: Member Italian Society of Arthroscopy (SIA)
1997: International member American Academy of Orthopaedic Surgeon (AAOS)
1996: Member American Association for the Advancement of Science (AAAS)
1995: Member of the "Italian group for the study and divulgation of the Isokinetic method"
1988: Member Italian Society of Sport Traumatology (SITRAS)
1987: Member Italian Society of Knee Surgery (SICG)
1986: Physician of the Italian Powerboat Federation (FIM)
1984: Physician of the Italian Motorcycling Federation (FMI)
1984: Member Italian Federation of Sports Medicine (FMSI)
1983: Physician of the Italian National Olympic Committee (CONI)
1983: Member Italian Society of Orthopaedics and Traumatology (SIOT)

EDITORIAL BOARD AND JOURNAL REVIEWER

Orthopaedic Journal of Sports Medicine (OJSM), editorial board member and reviewer since January 2013
Acta Orthopaedica et Traumatologica Turcica, international scientific consultant, 2010-11
Cartilage, Associate Editor, since January 2010
Clinical Orthopaedics Related Research, reviewer since 2009
BMJ Open, reviewer, dal 2009
Journal of Knee Surgery, Editorial Board and guest editor, since January 2009
Knee Surgery and Sports Traumatology, *KSSTA*, reviewer, since 2008
Journal of Bone and Joint Surgery, reviewer, since 2007
Orthopaedics, reviewer, since 2007
Arthroscopy, editorial board, from 2005 to 2009
American Journal of Sports Medicine, reviewer, since January 2003

CHAIR OF CLINICAL AND INTERNATIONAL RESEARCH INSTITUTES
Orthopaedic Arthroscopic Surgery International, since October 1998
OASI Bioresearch Foundation Gobbi Onlus, since December 2007

VISITING PROFESSOR AND RESEARCH CHAIR
Visiting Professor, University of California at San Diego, 2014
Ministry of Health, State of Kuwait, 1.12.2012-7.12.2012
Canterbury University, UK, Visiting Professor, 2.11.2012-4.12.2012
Ministry of Health, State of Kuwait, 18.3.2012-24.3.2012
Kobe University, Visiting Professor, 1.2.2012-7.2.2012
Tokyo Medical and Dental University, Visiting Professor, 02.2012-11.2012
Institute for Medical Science in Sports, Osaka Health Science University, 02.2012-11.2012
ICRS China Sports Medicine Conference Program Chair, Nov 2011
Institute of Sports Medicine, Peking University, China 15.9.2009-21.9.2009
University of Warwick, UK, Visiting Professor Oct-Nov 2007
Istituto di Ricerche Farmacologiche Mario Negri, Milan, Oct -Nov 2007
University of Perugia, March 2005
Wake Forest University Winston Salem North Carolina Mar-Apr 2005
Instructor for Lohman in instructional courses for orthopaedic surgeons and sports physicians on taping techniques, 1983-1993

BOARDS AND COMMITTEES
ICSR Vice President 2016
ICRS Second Vice President 2015
ICRS Secretary General 2013-15
American Academy of Orthopaedic Surgeons, International senior member*,* Program Participant and Instructor
Arthroscopy Association of North America, Honorary member, Program Participant and Instructor
ISAKOS, Board of Directors, Education Committee Deputy Chair, Program Participant and Instructor
ICRS Education Committee Chair, Program Chair and organizer, 2009 World Meeting, Miami
ESSKA Cartilage Committee, Program Participant and Instructor

KEYNOTE SPEAKER/FACULTY

2019

- Congresso Nazionale AITOG, Osteoinduzione e Osteoconduzione: Il future dell'osso, Milan, 17-18 June
- ICRS Focus Meeting, "One step cartilage repair" Rome 5-7 June
- 12th Biennial ISAKOS Congress, Cancun, 12-16 May
- Isokinetic "Football Medicine Outcomes – Are we winning?" Wembley, 26-29 April
- Breg 2nd Win the Knee Course, Lodz Poland, 29-30 March
- 19th International Sports Medicine Fellows Conference, Carlsbad, California, 18-20 January
- ICRS Summit, San Diego, 17-18 January

2018

- ICRS Focus Meeting, "I'm not ready for metal", Milan, 13th – 14th Decembeer
- Orthopaedic Summit 2018: Evolving Techniques, Las Vegas 5th - 8th December
- VK Pillay Lectureship, National University of Singapore, 2nd-5th September 2018
- PKU Sports Medicine 60th Anniversary & 2nd Peking University Sports medicine Forum, Beijing, China, 1st-3rd September 2018
- 4th Annual Vail Scientific Summit, "Regenerative & Translational Medicine: A focus on human clinical applications", Vail, Colorado, 19th-20th August 2018

- ISOKINETIC Medical Group Conference “Football Medicine Outcomes - ARE WE WINNING?”, Barcelona, Spain, 1st-4th April 2018
- 18th ESSKA Congress, Glasgow, Scotland, 9th – 12th May
- ICRS World Congress, Macao, China, 9th-13th April
- Masters Knee Symposium, Seoul, South Korea, 24th – 26th March
- AAOS Annual Meeting, San Diego, California 6th-10th March
- 18th International Sports Medicine Fellows Conference, Carlsbad, California, January 24th-26th

2017

- Orthopaedic Summit 2017: Evolving Techniques, Las Vegas 6 th -9 th December
- VII International Garcia Cugat Foundation Congress for Biomedical Research, Madrid 28 th -29 th October
- 102 th National Congress of the Italian Society of Orthopaedics and Traumatology, Palermo 20 th - 23 th October
- GISM, The Future of Mesenchymal Stromal Cells, 20 th October
- Oswestry ICRS UK Club meeting, Oswestry, 4-6 October
- 4th Joint Preservation Congress, Warsaw 14 th - 16th September
- 20th ICRS Anniversary Heritage Summit, Gothenburg 29 June – 01 July
- 8th Annual PRP & Regenerative Medicine Symposium, Workshops & Cadaver Labs, Las Vegas 9 – 10 June
- 11th Biennial ISAKOS Congress, Shanghai 4 – 8 June
- The Future of Football Medicine, Barcelona 13 – 15 May
- AAOM Annual Meeting, Seattle, 20 -22 April
- AAOS Annual Meeting, San Diego, California 14th-18th March
- San Diego Orthopaedic Society 34th Annual Malcolm B. Coutts Visiting Professorship, January 27th
- 17th International Sports Medicine Fellows Conference, Carlsbad, California, 20th-22nd January

2016

- MP, Naples 15 December 2016
- KNEE & ANKLE, Krakow 7th-8th October 2016
- SIGASCOT, Florence, 28th-29th September 2016
- ICRS, Sorrento, Italy, 24th-27th September 2016
- SICOT, Rome, Italy, 8th-10th September 2016
- TOBI 2016 Symposium, Las Vegas, USA, 9th-12th June
- ESSKA 17th Congress, Barcelona, Spain, 4th-7th May 2016
- AANA 35th Annual Meeting, Boston, USA, 14th-16th April 2016
- ISOKINETIC “Return to Play” Football Medicine Strategies, London, UK, 9th-10th April 2016
- III ASTAOR International Congress, Moscow, Russia, 24th-25th March 2016
- AAOS Annual Meeting, Orlando, Florida 1st-5th March 2016
- “Comprehensive Approaches to Articular Cartilage Repair & Hip Arthroscopy”
- 16th International Sports Medicine Fellows Conference, Carlsbad, California, 22nd-24th January

2015

- Live Surgery commentary and lecture on stem cells, in Bielsko-Biala with Dr. Sadlik 18th November.
- Anika Investigator Meeting, Warsaw 16th-17th November.
- “Stem Cells” SIA Update in Arthroscopy and Sport’s Medicine, Carrara Fiera 21st-23rd October.
- “Stem Cells” ICRS Focus Meeting-Rehabilitation & Return to Sports, Zurich 18th-19th September.
- “Bone marrow aspirate with hyaluronic scaffolds for cartilage repair” and “Do we need Cell Cultivation for Cartilage Repair in Athletes?”, Joint Preservation Congress, Warsaw, 4th-5th September.
- “Stem Cell Treatment: Past, Present and Future” “ACL Primary Repair with Bone Marrow Stimulation

and Growth Factors" "Epidemiology of Soccer-Associated Chondral Injury and its Prevention", 10th Biennial ISAKOS Congress 2015, 7th-11th June.
- "Hyalofast + BMAC", ESSKA Consensus Meeting: All Around Biological Solutions, Verona, Italy, 21st-22nd May.
- "Cartilage Repair in High Performance Athletes", ICRS 2015, Chicago, USA, 8th-11th May.
- "30 anni di esperienza con i piloti del motocross: prevenzione, terapia e riabilitazione", DJO Global, Arco di Trento, 19th April.
- "Role of hyaluronan based matrix with BMAC in cartilage regeneration", ESBOS 2015: European Symposium of Biomaterials in Orthopaedics and Spine, Poznań, Polond, 16th-18th April.
- "The Use of PRP in Knee Injuries", XXIV International Conference on Sports Rehabilitation and Traumatology: Football Medicine Strategies for Player Care, London, 11th-12th April.
- "Knee Cartilage Repair and High Tibial Osteotomy", University of California San Diego, Grand Rounds CME, San Diego, 4th February.
- "Stem Cells for Clinical Application: Past, Present and Future", University of California San Diego, Monday Orthopaedic Research Conference, Hopkins Building, La Jolla CA USA, 26th January.
- "Joint 'Organ'. Comprehensive Concepts of Cartilage Restoration"
- 15th International Sports Medicine Fellows Conference, Carlsbad, California, 23rd-25th January.

2012

- "Our experience in cartilage repair". XI CEMTRO Clinic International Symposium. Madrid, Spain, November 2012
- "Our experience with PRP in degenerative lesions of the knee". XI CEMTRO Clinic International Symposium, Madrid, Spain, November 2012
- "Bone Marrow Aspirate Concentrate for large full-thickness knee cartilage lesions in a one-step procedure: Biologic Arthroplasty", "Primary repair and bone marrow stimulation technique in partial ACL injuries", "Pulsed Electromagnetic Fields in cartilage repair", 11th Turkish Sports Traumatology, Arthroscopy and Knee Surgery Congress, Ankara, Turkey, October 2012
- "Combined ACL and Cartilage Surgery" 21th International Congress on Sports Rehabilitation and Traumatology, London, UK, April 2012
- "The use of BMAC for large full-thickness knee cartilage lesions in a one-step procedure: Biologic Arthroplasty", "Non-Operative Treatment for Cartilage – Platelet-rich Plasma", Al-Razi Orthopaedic Hospital, Kuwait City, Kuwait, March 2012
- "One-Step Full-Thickness Knee Chondral Lesions Repair with BMAC and Collagen Matrix", "Primary Repair with Healing Stimulation technique for acute partial tears of the ACL", AAOS Annual Meeting, Multimedia Theatre, San Francisco, CA, USA, February 2012
- "Stem Cell Transplantation for Cartilage Restoration", VuMedi European Cartilage Webinar, February 2012
- "Non-Operative Treatment – Visco-supplementation or PRP" & "Next Generation Experience in BMAC and Scaffolds: Europe and Beyond", International Sports Medicine Fellows Conference, Comprehensive Approaches to Articular Cartilage Repair and Hip Arthroscopy, Carlsbad, CA, USA, January 2004-2014
- "Single vs. double-bundle ACL reconstruction: a prospective randomised study", "The use of Bone Marrow Aspirate Concentrate and Collagen Scaffold: Cartilage Repair in a one-step procedure",

2011

- "Is PRP Effective in patients with symptomatic knee Osteoarthritis?", "Why some athletes don't go back to sport after successful ACL reconstruction?" The "Combined Symposium on Sports Medicine", Jerusalem, Israel, November 2011
- "Clinical Experience in Cartilage Repair with Pulsed Electromagnetic Fields", "Primary Repair with Healing Stimulation technique for partial tears of the Anterior Cruciate Ligament", "The Use of Bone Marrow Aspirate Concentrated for Full-thickness Knee Cartilage Lesions in a One-step Procedure: Biologic Arthroplasty", "Treatment of Full-Thickness Chondral Lesion with Micro-fracture Technique", "Indications

And Patient Selection for ACL Reconstruction" ICRS China Sports Medicine Conference, Beijing, China, September 2011
- "Next Generation Cartilage Solution", International Symposium of Global Center of Excellence Program Clinical Researches and Experiences for Cartilage Regeneration Therapy, Tokyo Medical University, February 2011

2010
- "Anatomy of the ACL and Orientation of Anteromedial and Posterolateral Bundles", "New biotechnology for cartilage repair", "ACL primary repair with bone marrow stimulation and PRP", 10th Turkish Sports Traumatology Arthroscopy and knee surgery Congress, Antalya, Turkey, October 2010
- "Mesenchymal Stem Cells and PRP for cartilage repair", "Second generation ACI. Where are we now?", International Seminar on Treatment of articular cartilage lesions, Thessaloniki, Greece, February 2010

2009
- "Mesenchymal Stem Cells and PRP for Articular Cartilage defect treatment", The Regenerative Medicine Conference, Palace of United Nations Ginevra, October 2009

2008
- "Anterior Cruciate Ligament: Return to Sport", "Management of ankle instability: Conservative of surgical treatment", "Treatment of Osteochondral lesions of the talar dome", "New possibilities in ACL treatment: The healing stimulation'', 9th Turkish Sports Traumatology, Arthroscopy and Knee Surgery Congress, Istanbul, Turkey, October 2008
- "Future of cartilage transplantation", Tigenix industry meeting, Belgium, September 2008

2007
- "Regenerative Medicine in Cartilage Repair-The future is Now", ACI: The experts meet in Prague, Czech Republic, February 2007

2005
- "Optimizing Cell Lines in Articular Cartilage Bio-surgery", "Technical Tips for Revision Surgery", Sports Knee Surgery, University of Warwick, 2005
- "Athletes' Return to Sports following Successful ACLR", "Hamstring ACLR without destroying the Hamstrings", Sports Knee Surgery, Warwick University, UK, October 2005

2004
- "Comparison of Hamstring Tendon ACL Reconstruction Using the Semitendinosus and the Semitendinosus with the Gracilis","Comparison of ACL Reconstruction Between Male and Female Athletes Using the Patellar Tendon and Semitendinosus Autografts", "Autologous hamstring grafts", "Arthroscopic Treatment of Osteochondral Lesions of the Talus: a Prospective Study of three Different Techniques", "Articular Cartilage Transplantation with Arthroscopy",7th congress of Turkish Society of Sports Traumatology, Arthroscopy and Knee Surgery combined with the 3rd congress of Asia-Pacific Knee Society, Ankara, Turkey, October 2004

COLLABORATIONS WITH COMPANIES FOR SCIENTIFIC RESEARCH

At present consultant for*:*
- PIRAMAL Healthcare Limited Canada,
- Smith & Nephew Inc USA,
- DJO USA,
- IGEA SpA Italy,
- Anika Therapeutics Inc

SPORTS MEDICAL ASSISTANCE

A doctor for the Italian National Olympics Committee since 1983, he served the Medical Committees of the Italian Motorcycle Federation – motocross sector – and the Motor boating Federation – speed and off-shore sectors – for over 10 years and in 1988 he received the Award Certificate as Doctor of the National Team ("Azzurri d'Italia"). He served doctor in many of the most prestigious international road competitions like World Motocross/Trial/Off-Shore/Rally Championships, and endurance competitions such as Paris-Dakar, Incas Rally (Peru) and Pharaons Rally (Egypt).

PARTICIPATION IN NATIONAL AND INTERNATIONAL CONFERENCES

2018

- ISOKINETIC Medical Group Conference, Football Medicine Outcomes - ARE WE WINNING?, Barcelona, Spain, 1st-4th April 2018
- 18th ESSKA Congress, Glasgow, Scotland, 9th – 12th May
- ICRS World Congress, Macao, China, 9th-13th April
- Masters Knee Symposium, Seoul South Korea, 24th – 26th March
- AAOS Annual Meeting, San Diego, California 6th-10th March
- 16th International Sports Medicine Fellows Conference, Carlsbad, California, January 24th-26th

2017

- ISOKINETIC Medical Group Conference, The Future of Football Medicine, Barcelona, Spain, May 13-15
- AAOM 34th Annual Conference and Scientific Seminar, Seattle, US, April 19-22
- ISAKOS Education Annual Meeting, San Diego, US, March 13-15
- AAOS, San Diego, March 14-18
- SDOS, San Diego, US, January 27
- 17th International Sports Medicine Fellows Conference, Carlsbad , US, January 20-22

2016

- Regenerative Medicine in the Pathology of Articular & Musculo-tendinous Problems, Naples, Italy December 15
- Knee & Ankle Current Concept Congress, Cracow, Poland October 7-8
- SIGASCOT Congress, Florence, Italy, September 28-29
- ICRS World Congress, Sorrento, Italy September 24-27
- SICOT, Rome Italy September 8-10
- TOBI, Las Vegas, USA June 9-12
- 17th ESSKA Congress, Barcelona, Spain May 4-7
- AANA, Boston, USA April 14-16
- Isokinetic, London, UK April 9-11
- ASTAOR Moscow, Russia March 24-26
- AAOS Orlando, USA March 1-5
- International Sports Medicine Fellowship Conference Carlsbad, California, USA January 22-24

2015

- EFOST Torino-Catana, Italy, November 27-28
- Anika Investigator Meeting, Warsaw, Poland, November 16-18
- SIA, Massa Carrara, Italy October 21-22
- ICRS, Zurich, Switzerland September 18-19
- Joint Preservation Congress, Warsaw, Poland September 4-5
- ISAKOS, Lyon, France June 7-11
- ESSKA Consensus Meeting, Verona, Italy May 21-22
- ICRS, Chicago, USA May 8-11
- 30 Years of Motocross, Arco di Trento, Italy April 19

- ESBOS, Poznan, Poland April 16
- Isokinetic, London, UK April 11-12
- (invited speaker) *"Osteotomy and Cartilage Repair"*, Grand Round, February 4, UCSD
- (invited speaker) *"Stem Cells, Past, Present and Future"*, Grand Round, January 4, UCSD
- "*Joint 'Organ'. Comprehensive Concepts for Cartilage Restoration"* 15th International Sports Medicine Fellows Conference, January 23-25, Carlsbad, California

2014

- *"Osteotomy and Cartilage Repair", Lecture through Teleconference. "BMAC and Osteotomy Surgery", Video Demonstration through Teleconference.* November 2014, Murup Hospital, South Korea
- *"Stem Cell Therapy in Cartilage Repair and Osteoarthritis".* Regenerative Medizin am Bewegungsapparat, November 2014, Donau University, Austria
- *"Treatment Algorhythm", "Patellofemoral Joint Cartilage Defects", "Patellofemoral Joint Cartilage Defect - A Case Presentation"* 5th ICRS Surgical Skills Course, 23-25 October, Larissa, Greece
- *"Do We Need HTO with Cartilage Repair?"* ICRS Focus Meeting: The Knee, 3-4 July, Zurich, Switzerland
- *"Long-Term Results after Microfracture Treatment of Full-thickness Knee Chondral Lesions in Athletes SS-62".* 33rd AANA Annual Meeting, 1-3 May, Hollywood, Florida
- *"Microfracture Results at 15 Years", "Past, Present and Future".* 3rd UK ICRS Cartilage Club Meeting, 5-6 April, Canterbury Christ Church University
- *"Stem Cells: Past, Present, Future".* Football Medicine Strategies for Joint & Ligament Injuries, ISOKINETIC Annual Conference, 22-23 March, Milan, Italy
- "*Osteochondral Lesions of the Patellofemoral joint*", "*International Experience with Cartilage Repair*" 14th International Sports Medicine Fellows Conference, January 17-19, 2014, Carlsbad, California

2013

- "*Collagen and BMAC*", "*Long term results of microfracture*". ICRS Focus meeting – Stem cells and Scaffolds, Dec 5-6, 2013, Bologna, Italy
- *"Long term results of Microfracture in Full thickness Chondral Lesions"*. SIA. October 2013. Pesaro, Italy
- "*Management of OCD", "Scaffold Based Cartilage Repair, with or without Stem Cells", "Use of Stem Cells and RM technologies in Sports Medicine", "PRP: Indications, Technique and How it Works", "Natural History of ACL Reconstruction", "Management of Full Thickness Patellofemoral Cartilage Lesions".* International Congress of Indian Arthroscopy Society. September 2013. Mumbai, India
- *"Diagnostic Workup of Patellofemoral Cartilage Injury"*, *"Long term results after microfracture treatment of full thickness knee chondral lesions in athletes"*, "*Treatment of Full Thickness Chondral Defects of the Knee with Bone Marrow Aspirate Concentrate (BMAC) in One Step Surgery*", "*Current Concepts of Joint Biomechanics in Articular Cartilage Injury and Repair*", "*Use of Pulsed Electromagnetic Fields in Cartilage Lesions of the Knee: Results after 2 year Follow up in a group of Active Patients*". 11th World Congress of the International Cartilage Repair Society. September 2013, Izmir, Turkey
- *"ACL Recon Graft and Fixation outcome expectations and evolution", "Indications and Outcome of Debridement and Microfracture", "Osteochondral Lesions of the Talus",* ICRS-China Conference on Articular Cartilage and orthopaedic Sports Medicine. Beijing August 2013
- *''Do we need cells to restore chondral surfaces? BMAC in Cartilage regeneration", "Biology in graft tunnel healing: Use of PRGF and Bone Marrow in ACL Repair", "Biologic Arthroplasty: Bone Marrow Derived Stromal Cells and Scaffolds for the Treatment of Large Full-thickness Cartilage Lesions"*, Toronto, ISAKOS; 12th-16th May

- "*Biotechnology in the Tendons Healing*", XXII International Conference on Sports Rehabilitation and Traumatology", London, UK, 20 April 2013
- "*Microfracture Treatment of Grade IV Knee Cartilage Lesions: Results at 15-year Follow Up in a Group of Athletes*", "*The Use of Platelet-Rich Plasma in Degenerative Lesions of the Knee: Results at Two-year Follow Up*". AAOS, Chicago, USA, 19-23 March 2013
- *"Next Generation Experience: BMAC and Scaffold'.* 13th International Sports Medicine Fellows Conference, Carlsbad (CA), USA, 18-20 January 2013

2012

- *"Our experience in cartilage repair", "Our experience with PRP in degenerative lesions of the knee".* XI CEMTRO Clinic International Symposium, Madrid, Spain, 15-17 November
- *"Articular Cartilage Regeneration with Stem Cells"* (ICL), *"Pulsed Electromagnetic Fields for Cartilage Treatment"* (ICL), *"BMAC: Surgical Technique"* (Multimedia Presentation). The UK Club Cartilage Meeting, Canterbury Christ Church University, Maritime Campus, Chatham, Kent, UK, 2-4 November
- *"European experience with stem cells and scaffolds", "Second generation MACI for Treatment of OCL of the Talus", "Biologic Arthroplasty".* V SLARD-AOSSM-ESSKA-ICRS Congress, Cartagena, Colombia, October
- *"Bone Marrow Aspirate Concentrate for large full-thickness knee cartilage lesions in a one-step procedure: Biologic Arthroplasty", "Primary repair and bone marrow stimulation technique in partial ACL injuries", "Pulsed Electromagnetic Fields in cartilage repair".* 11th Turkish Sports Traumatology, Arthroscopy and Knee Surgery Congress. Ankara, Turkey, October
- *"Platelet-rich Plasma and Cartilage: Surgical Approach"* 29th AGA-Congress. Zurich, Switzerland, September. AOSSM Annual Meeting **Awarded with the 2012 Sports Health T. David Sisk Award for Best International Paper***,* Baltimore, Maryland, USA, July
- *"PRP study Sports Health*" (teleconference)**.** TOBI Meeting. Los Angeles, California, USA, July
- *"Regenerative Strategies: Hyaluranic Acid Membrane Autologous Chondrocyte Implantation for Talus OCD",* AOFAS Annual Meeting. San Diego, California, USA, June
- *"Osteochondral Patello-Femoral Lesions Treated With One Step Surgery Using Bone Marrow Derived Mesenchymal Stem Cells: Results at 3 Years", "Use of Platelet Rich Plasma in Early Osteo-Arthritis: Results at Two Years of follow-up".* 31st Annual AANA Meeting. Orlando, Florida, USA, May
- *"Microfracture Treatment in Athletes With Knee Grade IV Chondral Lesion: A 10-Year F. Up", "Biologic Arthroplasty in Patello-Femoral Cartilage Lesions", "Single V/S Double Bundle ACL Reconstruction: Functional Outcome At 3 Years In Athletes", "Platelet Rich Plasma (PRP) - A New Hope For Degenerative Lesions Of The Knee".* 10th ICRS Congress. Montreal, Canada, May
- *"Single v/s Double Bundle ACL Reconstruction: Functional Outcome at 3 Years in Athletes", "Microfracture Treatment in Athletes with Knee Grade IV Chondral Lesions - A 10 Year Follow Up", "Platelet Rich Plasma (PRP)-A New Hope for Degenerative Lesions of the Knee", "Biologic Arthroplasty in Patello-femoral Cartilage Lesions".* 15th ESSKA Congress. Genève, Switzerland, May
- *"The use of Pulsed Electromagnetic Fields in symptomatic patients with degenerative lesions of the knee: A preliminary report". "Platelet-rich Plasma treatment in symptomatic patients with knee osteoarthritis: A preliminary report" (Poster PB03).* XXI International Conference on Sports Rehabilitation and Traumatology Football Medicine Strategies for Knee Injuries. London, UK, April
- *"The use of BMAC for large full-thickness knee cartilage lesions in a one-step procedure: Biologic Arthroplasty". "Non-Operative Treatment for Cartilage – Platelet-rich Plasma".* Al-Razi. Orthopaedic Hospital, Kuwait City, Kuwait, March
- *"Stem Cell Transplantation for Cartilage Restoration".* VuMedi European Cartilage Webinar, February
- *"Treatment Of Full Thickness Chondral Lesions Of The Knee With Microfracture in Athletes - A Long Term Follow Up". "Osteochondral Lesions of the Talus: Current Treatment Dilemmas".* AAOS 2012. San Francisco, California, USA, February

- *"Next Generation Experience BMAC Other Scaffolds: Europe and Beyond". "Non-Operative Treatment Viscosupplementation or PRP".* 12th International Sports Medicine Fellows Conference. Carlsbad, California, USA, January

2011
