O.A.S.I. BIORESEARCH FOUNDATION NEWSLETTER N°3

It seems like only yesterday that I was preparing Newsletter N°2 but 3 months have passed! A busy 3 months for Doc and the team!

ASTAOR Moscow 24-25 March 2016

It's cold outside!

Doc & Prof Andrey Korolev

Isokinetic London 9-11 April 2016

A fascinating 2 days dedicated to sport and return to play after injury with presentations from some of the world's leading sports medicine doctors and researchers.

AANA Boston 14-16 April 2016

Jeffrey Abrahams & Francesco Allegra AANA President & his wife Doc signing the Boston Marathon Ball

While Doc was in Boston to attend AANA he also had the opportunity to dine with Chuck and his lovely wife MaryAnn and visit the Anika headquarters.

ESSKA Barcelona 4-7 May 2016

New friends & old

João Espregueira-Mendes & Kevin Stone

A useful and informative congress with an interesting day at the Anika booth and a wonderful dinner afterwards with old friends and new.

Motocross World Championship Arco di Trento

With many thanks to SDM Corse for the passes and the wonderful hospitality!

Doc at work.....!

TOBI Las Vegas 9-12 June 2016

Steve Sampson & friends

Doc durante la sua presentazione

Doc's comments on TOBI: 'extremely well organized and informative congress, one of the best I've attended this year'! Check out Doc! http://www.prpseminar.com/tobi-2016/saturday/

Anika FastTrack training in San Diego

This is serious! Doc training doctors on techniques for the Anika FastTrack study.

Trainings in Milan and Warsaw for Anika

On the 30th June the 3rd Anika FastTrack training took place at O.A.S.I. Bioresearch Foundation in Milan. We were very pleased to welcome 3 doctors, 2 from Hungary and 1 from Austria, Tamàs, Krisztiàn e Herwig. We also had the pleasure of the company of Katharina from SynteractHCR and Francesca from Anika srl

As soon as the training finished Doc was off to the airport for another FastTrack training, this time in Warsaw on the 1st July.

Dr. Bartozs Gaj (known as Bart in the office) leaving to return to Poland but will continue to collaborate with the Foundation.

'The Patellofermoral Joint'

Doc's book is preforming very well. Take a look with the link below!

https://www.springer.com/annualbookperformancereport/?email=gobbi@cartilagedoctor.it&isbn=978-3-642-54965-6&year=2015&checkval=36dbc50f58c6602f205f9c0cc024627077ca6afda24e2b8e81a0ce26425f9fe54ed4118c15f3c9d3a2b98c3b81b4aa079088b1182e62b395ff6d5f0aea084386&wt_mc=event.annual_book_performance_download_from_email

challenges and future direction' Aaron J Krych,1 Alberto Gobbi,2 Christian Lattermann,3 Norimasa Nakamura

Long-term Results After Hyaluronan-based MACT for the Treatment of Cartilage Lesions of the Patellofemoral Joint. Elizaveta Kon, Giuseppe Filardo, Alberto Gobbi, Massimo Berruto, Luca Andriolo, Paolo Ferrua, Ilaria Crespiatico and Maurilio Marcacci. Am J Sports Med 2016 44: 602 originally published online January 11, 2016. DOI: 10.1177/0363546515620194

And lastly, although she doesn't actually want to put it in but everyone in the office insisted.....

The t-shirt and bib number (with finishers medal) worn by Jane for 17 hours and 20 minutes to complete a full 100km!

Coming next.....

In Septe,mber we will welcome a new fellow from India, Dr. Ramakanth Rajagopalakrishnan who won the scholarship ICS/OASI and will be with us for 2 months.

Doc will be traveling again with congresses in SIGOT in Rome, ICRS World Congress in Sorrento and SIGASCOT in Florence and that's just September! October it's off to Poland for the 'Knee and Ankle Congress' in Kracow organized by Dr Sadlik from St Luke's Hospital in Bielsko-Biala.

Doc is also in the process of preparing a new book titled 'BIO-ORTHOPEDICS - A new approach' in collaboration with Dr Mendes, Dr Lane and Dr. Mustafa. It should be ready for the ISAKOS Shanghai meeting in June 2017.

Our future in your hands.....

We are asking you to support these important initiatives by making a donation today. There are three ways to give:

1. Donate to the O.A.S.I. BioResearch Foundation, which supports research studies and publications. The operating budget for 2016 is €100,000
2. Donate for a specific program; our Fellowship program gives the opportunity to young doctors from around the world to come to O.A.S.I. to learn new techniques and improve exsisting skills. The budget for each six month fellowship program is €15,000
3. Create an endowment, which ensures that our work can continue for years to come. We are currently seeking funds for the ongoing research and education missions of the Foundation.

Will you help solve cartilage, joint injuries and arthritis?
