O.A.S.I. BIORESEARCH FOUNDATION NEWSLETTER N°8

Autumn is here, the leaves are changing color and there is a freshness in the air!

After the summer break we have all returned to work with renewed enthusiasm and as always Doc schedule is packed with congresses and training sessions.

At the end of August Doc fly off to conduct FastTrack trainings in Ohio, LA and NY below are just a couple of the photos from these sessions.

FastTrack trainings Ohio, LA & NY

The Ohio Group

Doc in action

…and that's how it's done!

4th Joint Preservation Congress in Warsaw, 14-16 September

Doc presented and Radek (our ex Polish who left us at the end of June) won another award!

Radek, Doc & Dr Slynarski

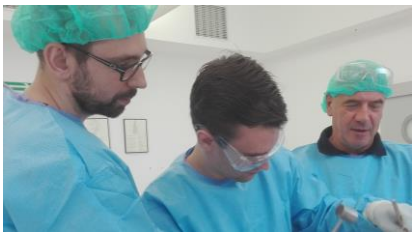

Radek during his winning presentation

Radek presenting on behalf of Doc

FastTRACK 15 September 2017

While Doc was in Warsaw for the Joint Preservation Congress he also fitted in time to train some doctors for the FastTrack study!

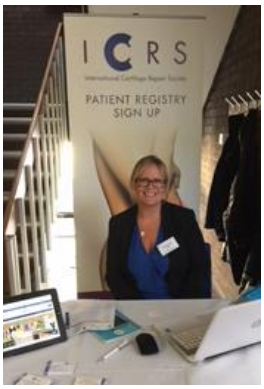

On the 3rd October we had the pleasure of a visit to our Foundation from Dr Kim of Kim's Stem Orthopaedics Clinic in South Korea.

4 – 5 October Oswestry, ICRS UK Club Meeting

Another interesting meeting for Doc and Tammy from the ICRS patient registry was also there!

Coming up….

Next up is GISM Brescia, Sigascot Palermo and the Garcia Cugat Foundation congress in Madrid in-between these there is a quick trip to Vienna for another FastTrack training and then off to Las Vegas for the OrthoSummit 6 – 9 December which completes a very busy year for Doc! But more on these in the next Newsletter!

Our future in your hands

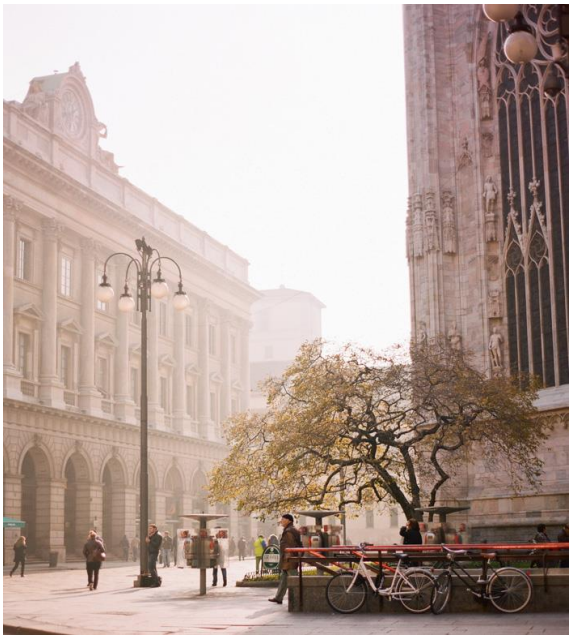

We are asking you to support these important initiatives by making a donation today. There are three ways to give:

1 Donate to the O.A.S.I. BioResearch Foundation, which supports research studies and publications. The operating budget for 2017 is €100,000 and any contribution however small is very useful.

2 Donate for a specific program; our Fellowship program gives the opportunity to young doctors from around the world to come to O.A.S.I. to learn new techniques and improve exsisting skills. The budget for each six month fellowship program is €15,000

3 Create an endowment, which ensures that our work can continue for years to come. We are currently seeking funds for the ongoing research and education missions of the Foundation.

Will you help solve cartilage, joint injuries and arthritis?

Autumn in Milan!
