India 16:30-17:30 (IST) | New Zealand 23:00-00:00 (NZT)

Cartilage Defects in 2020: How Do I Deal with Them?

Friday 17 July 2020

USA (East) 07:00-08:00 (EDT) | UK 12:00-13:00 (GMT+1)
Belgium 13:00-14:00 (CEST) | India 16:30-17:30 (IST)
New Zealand 23:00-00:00 (NZT)

We are honoured to invite you to the SICOT-ICRS webinar to discuss how to deal with cartilage defects in 2020. The session will review the current concepts in cartilage surgery and provide an update of the most important topics in orthobiologic available treatments both as injections and as scaffold-based surgeries as well as highlighting orthopaedic and regenerative medicine leaders from around the world with particular experience in biologic treatments with cells, growth factors and tissues.

Moderators

FABIO SCIARRETTA
Italy - Moderator

STEPHEN ABELOW
USA - Moderator

VIKAS KHANDUJA
UK - Co-moderator

Faculty

RAMON CUGAT
Spain
